Certificate of Factory Production Control (FPC) 2273 – CPR – 0631

In compliance with Regulation (UK) Statutory Instrument 2019 No 465 of the United Kingdom Parliament (The Construction Products (Amendment etc) (EU Exit) Regulation 2019) and the Construction Products (Amendment etc) (EU Exit) Regulations 2020, this certificate applies to the construction product(s)

Structural Components for Steel Structures

UK Designated Standard	Type / Execution Class of the Construction Product	Declaration Method
BS EN 1090-1:2009+A1:2011	Load bearing and welded structural steel components up to EXC 2 according to BS EN 1090-2:2018+A1:2024	1, 2, 3a and 3b table A.1 of BS EN 1090-1:2009+A1:2011

placed on the market by

Powell & Co Construction Ltd

and produced in the factories

Hanger 4, Shobdon Airfield, Leominster, Herefordshire, HR6 9WD

is submitted by the manufacturer to the initial type-testing of the product, a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the Approved Body No. 2273 – Steel Construction Certification Scheme Ltd - has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

Attestation

This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the designated standard: **BS EN 1090-1:2009+A1:2011** were applied.

Date of first issue

February 2016

Date of this issue

04 February 2025

Date of expiry

23 January 2028

Validity Period

This certificate will remain valid as long as neither the designated standard, the construction product, the AVCP methods, nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the approved factory production control certification body. This will be monitored regularly by Steel Construction Certification Scheme Ltd. Further clarification regarding the scope of this certificate and the applicability of the relevant UK designated standards requirements (see welding certificate) may be obtained by consulting Steel Construction Certification Scheme Ltd.
